

## Appendix A2. Experts' panels in Aquitaine, Portugal and Galicia<sup>1,2</sup>

	Organisation (number of experts)	Description	General knowledge on maritime pine silviculture	Storm	Fire	Torrential rain	Defoliator	Bark Beetles	Game	Root rot fungus	Pitch canker
<b>Aquitaine</b>	ARDFCI (2)	Regional association for forest fire control in Aquitaine			×						
	CRPF Aquitaine (2)	Regional centre for private forest owners in Aquitaine	×						×		
	Fibre Excellence (1)	Pulp paper and forest harvesting company	×								
	FCBA (2)	Technical and industrial centre for forest, wood, construction and furniture industries	×								
	INRA (5)	French National Institute for Agricultural Research		×			×			×	
	DSF (1)	French Forest Health Department					×	×		×	
	EFIATLANTIC (1)	Atlantic Regional Office of the European Forest Institute		×							

List of people who participated to the experts panels in Aquitaine (France):

- Pierre Macé, Sarah Fermet-Quinet (ARDFCI)
- Gérard Larrue, Amélie Castro (CRPF Nouvelle-Aquitaine)
- Didier Lambrecq (Fibre Excellence)
- Pierre Alazard, Jean-Yves Fraysse (FCBA)
- Alexandre Bosc, Cécile Robin, Cyril Dutech, Hervé Jactel, Céline Meredieu (INRA)
- Dominique Piou (DSF)
- Barry Gardiner (EFIATLANTIC)

<sup>1</sup>The defoliator is the pine processionary moth *Thaumetopoea pityocampa*, the root rot fungus is *Heterobasidion annosum*, *Fusarium circinatum* is responsible for the pitch canker. "Bark beetles" refers to *Ips sexdentatus* only in Aquitaine, and to the four main species, e.g. *Ips sexdentatus*, *Orthotomicus erosus*, *Tomicus piniperda* and *Tomicus destruens* in Portugal.

<sup>2</sup>In grey are the hazards which were not studied in the considered region.

	Organisation (number of experts)	Description	General knowledge on maritime pine silviculture	Storm	Fire	Torrential rain	Defoliator	Bark Beetles	Game	Root rot fungus	Pitch canker
<b>Portugal</b>	ALTRI (2)	Pulp paper and forest production company				×					
	RAIZ (1)	Pulp paper and forest research Institute					×	×			
	Portucel (1)	Pulp paper and forest production company		×	×	×					
	ISA (5)	Instituto Superior de Agronomia- School of Agriculture	×			×	×	×			×
	ANEFA (1)	National association of forest, agricultural and environmental enterprises	×								
	ESAC (2)	Superior School of Agronomy of Coimbra		×	×		×	×			×

List of people who participated to the experts panels in Portugal:

- Ana Raquel Reis, Clara Araújo (ALTRI Florestal)
- Carlos Valente(RAIZ)
- Tiago Oliveira (The Navigator Company - Portucel)
- Ana Paula Ramos, Manuel Madeira, Maria Helena Almeida, Paula Soares, Manuela Branco (ISA, ULisboa)
- Joana Faria (Associação Nacional de Empresas Florestais Agrícolas e do Ambiente, ANEFA)
- Joaquim Silva , Teresa Vasconcelos (Escola Superior Agrária de Coimbra, ESAC)

*Supplementary appendix to the article “Multi-criteria analysis to compare multiple risks associated with management alternatives in planted forests”, by Margot Régolini, Céline Meredieu, Hervé Jactel, Ander Arias-González, Manuela Branco, Alejandro Cantero, Amélie Castro, Jean-Yves Fraysse, Barry Gardiner, Andrea Hevia, et al. Forest Systems Vol. 29 No. 2, August 2020 (<https://doi.org/10.5424/fs/2020292-15660>).*

	Organisation (number of experts)	Description	General knowledge on maritime pine silviculture	Storm	Fire	Torrential rain	Defoliator	Bark Beetles	Game	Root rot fungus	Pitch canker
<b>Galicia</b>	Xunta de Galicia (2)	Collective decision-making body of the government of the autonomous community of Galicia			×						
	Universidad de Santiago de Compostela (2)	University of Santiago de Compostela		×	×				×		×
	Asefoga (1)	Galician association of forest sector which aims at developing the forest sector and protect the forest owners interests			×						
	Forest Research Center Lourizán (1)	Forest Sectorial research center belonging to the autonomous administration (Xunta de Galicia), with long-term experience in applied research in different fields			×						
	Tragsatec (1)	Subsidiary of Tragsa (company for performing and managing any work related to the development of the rural environment and the conservation of nature)		×	×						×
	ENCE (1)	Producer of eucalyptus pulp, producer of renewable energy using forest biomass and manager of forest areas and resources			×						

List of people who participated to the experts panels in Galicia (Spain):

- Agustín Blond Arredondo M<sup>a</sup> Lina Moure Acuña (Xunta de Galicia)
- María J. Lombardero, Roque Rodríguez-Soalleiro (USC)
- Jacobo Feijoo Lamas (Asefoga)
- Jose Antonio Vega Hidalgo (CIF Lourizán)
- Fernando Castedo (Tragsatec)
- Fernando Basurco García-Casal (Ence)
